

# We Need Homes!

Marlo, a purebred Miniature Schnauzer, was rescued from a high kill shelter and came with a whole lot of extra baggage! When she went to get spayed our vet said Marlo was VERY pregnant.... sure enough 10 days later we had NINE puppies! Marlo has found a home but her pups still need homes. The pups are pictured here at five weeks old, their weights range from 1.5 pounds to 3 pounds. We expect the pups to be approximately 20-25 pounds when full grown. There are 5 girls and 4 boys.. they all look "terrier-ish" with tiny beards and whiskers. The pups were born March 3, 2012 and will be ready to go to their new homes after May 5, 2012. They will all be spayed/neutered prior to placement.
